

**STATEMENT OF CANDIDATE FOR
FORESTHILL UNION SCHOOL DISTRICT**

Scott Tomashefsky

Age: 40

Occupation: Energy Policy Advisor and Appointed Incumbent

Education and Qualifications: MBA - Cal Poly Pomona; B.A. in Economics - UC Irvine.

As an 11-year resident of Foresthill and an active parent volunteer for six years, I am deeply committed to the success of the Foresthill Union School District. With one son at the middle school and two at the elementary school, I will be heavily involved in District-related activities for at least the next eight years.

I have experience in addressing tough Board issues, both from the perspective of a Trustee and as a concerned parent. From October 2001 to November 2002 and since June 2004, I have discussed a wide variety of issues as an appointed Trustee. For the past three years, I have been a member of the District's Budget Advisory Committee and made positive contributions to those efforts.

If elected, I will focus my time on ensuring that the children of our community receive the best possible education and are prepared for high school once graduating from the District. I will also work to ensure that the District remains financially secure as the state struggles with its ongoing budgetary problems.

I would appreciate your support by voting for me on Election Day.
